Subject: Draft ideas for interim milestones
Attachments: CZARA Post-Decision Planning 2.23.15.docx

Hi Everyone – I had some thoughts on interim milestones for the forestry measures and wanted to throw it out to the group. This is meant as a quick big picture idea, not the detailed process/chrono that Jayne's working on and doesn't include ag or the overall program.

What do you think? Decent starting point? I think it would be good for us to lay out these interim milestones in our letter to the state, or at a minimum, start talking with the Oregon ODF staff about this so we all have our goalposts. Sorry I'm going to miss our call at 10AM.
